Subject: Re: EHRC Enquiry Reference 1-9460530

As the attached article suggests, 'a disgusting,' offensive webpage **was removed**. With NO legal means involved. (I was advised by your colleague to mount a legal challenge, for some reason.) The page was removed, due to a 'public outcry' and the intervention of an MP and other Parliamentary members.

Not surprisingly, both of the unfortunate victims were Caucasian.

<http://www.tightrope.cc/jokes.htm> is aimed at offending Moors. So it seems, we are not all treated fairly- obviously.

As I mentioned before, your organisation is there to create the impression of equality, for all in the UK. But as we are all aware, the ruling classes - still continue to follow the ideology of eugenics, to the letter.
