

So your Org can't have the british CEO of Google matt bgrittin, take the tightrope page down? Why can't you take a legal route? You did with the bnp saga.

MIA's born free is immediately taken down from facebook. Facebook also pull an Apple app called the intifada. Which is said to offend a large group of people. So tim westwood, etc a bishops son, promoting the n' word worldwide, also offends a lot of people, Moors. Nothing happens. Why? Because Moors/Original people are the most oppressed people in the world. People are only allowed to mention the European Jewish holocaust. What of the 200-800 million Africans kidnapped, enslaved and transported to the West? Or the millions kidnapped and enslaved by the peoples calling themselves 'Arabs?' The thousands of Namibians slaughtered by the nazi's 100 years b4 the European Jewish holocaust? What of the ten million Congolese slaughtered by the belgian nazi's? What of the millions of Moors killed by the West during colonialism and now neo-colonialism. Look how the Haitians still today after an horrific earthquake, are still left to fend for themselves. With the US sitting on the so-called aid money over a year later. Why? Because earlier Haitians enslaved by the french, etc, fought for their freedom centuries ago. Much to the anger of the west-who have ever since kept the Island and its people deliberately poor. Your org wastes time challenging the bnp in the courts-(not in our name.) Yet the teachers in UK schools can be members of the bnp-no questions asked. And you wonder why so many Moors are excluded from your schools. I can only imagine the obstacles that would be put in the way of any Moor that wants to open up an **African Free School** here. Everyone else, jewish, greek, etc has their own free schools set up. But then Africans have continued to be denied their true story-for centuries. Even denied the right to read and write by the west. When it was the African that taught the world to read/write. Isn't the standard literacy campaign apt now?

Why would I try the UK legal system? It protects the rich institutions here, ONLY. Hence why I am taking my case against circle to the ECHR.

Dear Mr Bins,

Thank you for contacting the Equality and Human Rights Commission (EHRC) Helpline regarding the link you have provided to the 'Tightrope' website, regarding your desire to establish what service the EHRC provide for African-British citizens. Further your concerns that the Commission are a front for white supremacists.

Firstly may I say that I found the content of the attached 'Tightrope' website extremely offensive on both a personal and professional level. Further that I am sure this view would be shared by all of my colleagues here at the EHRC.

Unfortunately the current legislation contained within the 'Equality Act 2010' does not enable you or the Commission to challenge such grossly offensive literature being made available.

You may wish to seek independent legal advice to establish if any other legislation can be used to challenge this matter.

Kind Regards,

Richard Gill
